

Welcome to the 2019 Dental Integrators Association *Partner Availability*

Thank you to those Partners that have been with us over the years and to those new ones just joining us. As a reminder, the Platinum Partnership includes a Case Study as your 30-minute presentation time. These consist of the **team of Partner and a Member/Client** (not just the Partner) presenting a full blueprint solution, based on the Partners product/service. These are 30 minutes' presentation-time. Partners will present at the same time with the Member/Client to offer a complete solution. Additionally, we are continuing the **mini-roundtables session. Platinum Partners will host a table on Thursday**, topics subject to board approval, in addition to their Case Studies.

If you participated in a case study in 2018 and would like to again in 2018, we respectfully request your case study have different content than last years'. **Final determination of these partners will be made by the Board of Directors based on differential content for our members.** Additionally, inclusion to all offered meals, networking time during and post assembly. Space in the Partner Hall includes a 6 ft. draped table, two (2) chairs, and one (1) wastebasket. Logo and website link on the DIA website, and the opportunity to include an item in the Welcome Bag. **Three opportunities available \$4,500.**

Should the above description not resonate as soundly with you, then please feel free to review our Gold and Silver Partnerships.

Our Gold Partnerships have 15 minutes of scheduled agenda presentation/ppt time; these can be whatever format you choose. Gold Partners will also be included in the **Friday afternoon mini-roundtable session.** Topics subject to board approval, and if you do not plan on hosting your table, please advise Michelle as soon as you make a determination. Additionally, inclusion at all offered meals, networking time during and post assembly, and recognition for their contribution; logo and website link on the DIA website, and the opportunity to include an item in the Welcome Bag. Space in the Partner Hall will be included as listed above. **Five opportunities available \$3,000.**

Silver Partnerships will also be available; these partners will be included at all meals and networking time during and post assembly; logo and website link on the DIA website, and the opportunity to include an item in the Welcome Bag. Space in the Partner Hall will be included as listed above. \$1,500

Partners are welcome beginning with the Wednesday Welcome Reception and Dinner and capping it off with your Partner Recognition Cocktail Hour on Friday late afternoon. A full agenda will be forthcoming.

Again, the DIA appreciates all of our Partners with the time, energy and money they invest in our association and members. We are blessed to have our Partners that have been with us for years, and excited to see new ones joining our awesome group!

See you in Vegas! Maybe we can pick up some of the money we left behind last time!
